Retiring or applying for federal benefits soon? Be ready.

If you will apply for federal benefits on or after May 1, 2011, you will need to choose your preferred electronic payment option when you enroll to receive benefits from the Social Security Administration, Veterans Affairs, Railroad Retirement Board, Office of Personnel Management, or Department of Labor.

Already getting federal benefits payments by paper check? Switch today!

You will need to make the switch from paper benefit checks to electronic payments by March 1, 2013.

If you do not choose an electronic payment option by March 1, 2013, or at the time you apply for federal benefits, you will receive your payments via the Direct Express @card so you will not experience any interruption in payment.

If you are already receiving your federal benefit payments electronically, this change will not affect you.
